

One Medical Contributor License Agreement

This Contributor License Agreement ("Agreement") is between You, as contributor, and 1Life Healthcare, Inc. and its affiliates ("One Medical"), and governs Your present and future Contributions submitted to One Medical. Except for the licenses granted herein to One Medical and recipients of software distributed by One Medical, You reserve all right, title, and interest in and to Your Contribution. This Agreement is effective as of the date of Your written acceptance.

1. Definitions.

1.1 "You" (or "Your") means the copyright owner or person authorized by the copyright owner that is making a Contribution to One Medical under this Agreement.

1.2 "Contribution" means any original work of authorship, including any modifications or additions to an existing work, that is submitted by You to One Medical for inclusion in, or documentation of, any Project owned or managed by One Medical. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to One Medical or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, One Medical for the purpose of discussing and modifying the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

1.3 "Project" means any of the projects owned or managed by One Medical in which software is offered under a license approved by the Open Source Initiative (OSI) and documentation offered under and OSI or a Creative Commons license.

2. Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to One Medical and to recipients of Project software distributed by One Medical a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
3. Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to One Medical and to recipients of Project software distributed by One Medical a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Project, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Project to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Project to which You have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Project shall terminate as of the date such litigation is filed.
4. You represent that You are legally entitled to grant the above licenses. If Your employer has any right to Your Contributions, You represent that You have received permission to make Contributions on behalf of Your employer, or that Your employer has waived such rights for Your Contributions to One Medical.
5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which You are personally aware and which are associated with any part of Your Contributions.

6. Unless required by applicable law or expressly provided in this Agreement or a separate writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF NON- INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are not expected to provide support for Your Contributions, but You may do so if You wish.
7. If You are submitting work that is not Your original creation, You may submit it separately from any Contribution, with clear identification of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which You are aware, and conspicuously marking the submission as "Submitted on behalf of a third-party: [named here]".
8. This Agreement is governed by the laws of the State of California, and the parties consent to exclusive jurisdiction and venue in the federal courts in the City and County of San Francisco, unless no federal subject matter jurisdiction exists, in which case the parties consent to exclusive jurisdiction and venue in the Superior Court of San Francisco, California. The parties waive all defenses of lack of personal jurisdiction and forum non-conveniens.
9. This Agreement is the entire agreement between the parties, and supersedes any and all prior agreements, understandings or communications, written or oral, between the parties relating to the subject matter hereof.

By indicating your acceptance in writing, You agree to the terms and conditions of this Agreement.
